Executive Summary

This annexure captures key development priorities for all the wards in the County. It also highlights some of the projects that will be implemented in order to achieve the programme objectives in each sector as outlined in Chapter Four (4) of the Kilifi County Integrated Development Plan (CIDP) 2018-2022.

Introduction

This document presents annextures to the CIDP for all sectors. The Annextures provide lists of projects that will be implemented to achieve the programme objectives as provided for in Chapter 4 of the CIDP 2018-2022. The projects identified respond to the development priorities captured during the consultative meetings held at the ward level. The list of sector-specific projects provided is not exhaustive and as such there is need to continuously interrogate the ward development priorities to assist in the identification and design of project interventions that respond to the community needs in line with the programme goals.

The projects and ward development priorities in this Annextures are presented according to the following sectors;

1. Agriculture, Rural and Urban Development
2. Energy, Infrastructure and ICT
3. Environmental Protection, Water, Sanitation and Natural Resources
4. Public administration and Intergovernmental Relations
5. Health
6. Education
7. General Economic and Commercial Affairs
8. Social Protection, Culture and Recreation
9. Governance, Laws, Justice and Order
